## Gov. Horner Holds Lead Over Brooks Presidential Vote

### Cook County Vote Gives Democrats Early Advantage

### ROOSEVELT HAS FAR WEST LEAD IN FIRST COUNT

### Scattered Returns Show President's Lead To Be Strong

**BULLETIN**  
Chicago, Nov. 3.—(AP)—Illinois Governor:

	Down State	Cook Co.	Total
Total Precincts	3,776	4,136	7,912
Precincts Reported	1,381	3,197	4,580

Thompson	2,429	75,055	77,484

Chicago, Nov. 3.—(AP)—Gov. Henry Horner, seeking re-election on the Democratic ticket, increased his lead over C. Wayland Brooks, Republican opponent of the state and national administrations, in the gubernatorial race. Horner, too, benefitted by the heavy vote brought out by his party's Chicago organization but enjoyed only a narrow advantage in the downstate battle.

In 1,857 of the state's 7,912, the vote was: Horner, 482,309; Brooks, 312,427; William Hale Thompson, three times mayor of Chicago, who sought the governorship on the Union Progressive ticket, travelled in the rank with 14,774.

In the 370 reporting precincts downstate, the vote was: Horner, 76,381; Brooks, 72,022; Thompson, 352.

James Hamilton Lewis, fluent Democrat seeking his third term in the U. S. Senate, forged into a substantial lead over his Republican rival, former Senator Otis F. Glenn.

In 440 of the state's 7,912 precincts, the count stood: Lewis, 106,251; Glenn, 53,840.

Downstate, Lewis was out in front 56,453 to 49,410 in returns from 280 precincts. Only 160 precincts in Chicago had reported at that time.

### DEMOS CERTAIN OF SENATE LEAD, HOUSE DOUBTFUL

### Political Leaders Give Major Attention To House Fight

Washington, Nov. 3.—(AP)—With Democrats certain to retain control of senate because of the large number of holdover members elected in the 1932 landslide, political leaders gave major attention tonight to the outcome of contests for seats in the house of representatives.

The largest possible number of republican victories in the 35 senate contests still would leave the democrats with more than 50 of the 96 senators.

The full membership of the house was at stake in this year's election, however. For the republicans to elect a majority of that chamber, a heavy turnover would be necessary. Democrats now have 308 house members compared with 100 republicans. To wipe out such a majority would exceed the hopes of many republicans, although some predicted such an outcome.

Three democratic senatorial candidates—Pat Harrison of Mississippi and Richard B. Russell, Jr., of Georgia, incumbents, and Allen J. Ellender of Louisiana—were unopposed and won by default. Other democrats in the "solid South" including 78-year-old Carter Glass of Virginia, also were assured of re-election.

### Jailing of G. K. Smith Is Object Of Investigation

New Orleans, Nov. 3.—(AP)—Superintendent of Police George W. Rye, promised today an investigation of circumstances surrounding the jailing last night of the Rev. Gerald L. K. Smith, "share-the-wealth" organizer, on charges of disturbing the peace, reviling the police and using obscene language.

The charges, all misdemeanors, will be aired in recorder's court tomorrow. Smith was taken into custody at his hotel along with his secretary, Preston Delcass, 35, and two friends, Herman and Henry Grundmeyer, brothers, after he had assailed the state administration of Governor Richard W. Leche in a radio address.

All were released shortly after their arrest under the two-hour "holding law." Before he was released Smith refused a prole offered by Mayor Robert S. Maestri.

"I was put in jail by Maestri," Smith said, but it got so hot for him he called up here and offered me a prole. I refused to accept the prole."

Fair weather with slightly warmer temperatures is the forecast for this area. The Norbury Sanatorium, cooperative observer for the U. S. Weather Bureau, reported temperatures last night as follows: High, 62; low, 28; at sundown, 21.

San Francisco, Nov. 3.—(AP)—President Roosevelt took the lead tonight in initial scattered returns from the far west. President in Colorado, Utah, Arizona and California contributed the first results with individual precincts showing totals similar to those of four years ago when the most widely democratic.

Sixty-five electoral votes were at stake in the Pacific Slope and Rocky Mountain states and numerous senatorial and gubernatorial contests acted as an added impetus to draw out a heavy vote.

Foremost among the matters settled were the close contests between the veteran Senator William F. Borah and Gov. C. Ben Ross in Idaho, the congressional of Washington, including a close race and the political future of Senator Charles L. McNary of Oregon, Republican.

Democratic gains were seen in the Senate race in California, because of its heavily democratic population and its 1932 record.

Four years ago, Gov. Roosevelt 54.41 per cent of the popular vote and Herbert Hoover 45.59 per cent, 57.40 per cent. Borah and McNary ran against formidable opposition.

Democratic Governor Ross, a former campaigner, started for a change in the Senate race, to take an active part in behalf of active regulation.

Borah, who opposed the presidential campaign, continued to speak in behalf of any candidate. He singled out McNary as an opponent.

Former Governor Roland H. Harris, Republican, challenged Governor Clarence D. Martins, but for re-election to the Washington governorship, with McNary of the latter standing as the state's leading newspaper group member against William Randolph Hearst's Post-Intelligencer. Harris contended Martin should have taken a hand against the pocketing which caused the newspaper to suspend publication.

Chicago, Nov. 3.—(AP)—The Chicago Tribune, which supported Gov. Alf M. Landon republican candidate for president, in its edition at 11:30 p. m. tonight, headlined "Roosevelt wins Sweep U. S."

Milwaukee, Nov. 3.—(AP)—Milwaukee County returns added to President Roosevelt's lead over Governor Landon tonight. In the metropolitan 155 precincts of 492 gave Roosevelt 47,129 Landon 10,729 Lemke 2,390. This gave Roosevelt 63 of the 227 precincts to Roosevelt 187,934 Landon 94,619 Lemke 11,106.

Des Moines, Ia., Nov. 3.—(AP)—President Roosevelt went into the lead over Gov. Alf M. Landon tonight in Iowa with 121 of the state's precincts heard from.

The precincts, scattered in 47 counties, gave Roosevelt 21,322 to 18,850 Lemke polled 273.

The unofficial vote from the first nine precincts to report gave Landon a slight edge.

Indianapolis, Nov. 3.—(AP)—In the contest for Indiana's 14 electoral votes, President Franklin D. Roosevelt attained an early lead over Gov. Alf M. Landon.

Returns from 551 precincts of the state's 3,840 precincts gave the President a lead of 68,177 votes. The vote was: Roosevelt 199,355; Landon 131,170; Lemke 424.

Philadelphia, Nov. 3.—(AP)—President Roosevelt plunged farther and farther into the lead in the key state of Pennsylvania tonight, where no democrat has received the electoral vote in more than 80 years.

Even Philadelphia, historic republican stronghold, joined Pittsburgh and many upstate industrial centers in piling votes into the ever-growing margin for the President over Gov. Landon, a native son.

San Francisco, Nov. 3.—(AP)—California gave President Roosevelt a lead of better than 2 to 1 over Gov. Alf M. Landon in early election returns tonight.

Most of these returns were from Southern California, home of the Townsend pension plan, whose leader urged support of Landon in this state.

Columbus, O., Nov. 3.—(AP)—President Roosevelt swept into a strong lead in Ohio tonight over his Republican opponent for the presidency Gov. Alf M. Landon.

Attorney General John W. Bricker, Republican, broke up the Democratic swing, however, by holding a slight lead in a close race with Gov. Martin L. Davey for the governorship.

In 558 of Ohio's 8,600 precincts, Mr. Roosevelt polled 108,259, Landon 60,268, and Congressman William Lemke of North Dakota, Union Party candidate, 2,315.

Boise, Idaho, Nov. 3.—(AP)—Senator William F. Borah, leaping ahead of a lagging Republican ticket, pulled away from his Democratic opponent,

### Record Number Of Women Vote Report

### 80 Year Old Woman Wants Mother to Vote

Washington, Nov. 3.—(AP)—More women were believed to have voted tonight than in any previous presidential election.

Feminine leaders of both parties tonight expressed this opinion adding also their belief that more of their ballots were cast according to personal conviction than ever before.

Special divisions at both major party headquarters put on the most intensive campaigns on record to get out the women's vote. Mary W. "Molly" Dewson headed the Democratic women's cohorts, reporting 25,000 workers in her army, and Nathan Couch of New York led other thousands of women who got out their Republican sisters.

The very old and those just turning 21, were given special attention, until political headquarters were filled with stories, like one from New York about the woman of 80 who wanted to know if she could bring her mother to vote. Neither ever had voted before.

The 94 women candidates who sought high state and national office provided a special interest for the feminine voters in many sections.

The great majority filed on minor party tickets, only 28 as candidates of the two major parties.

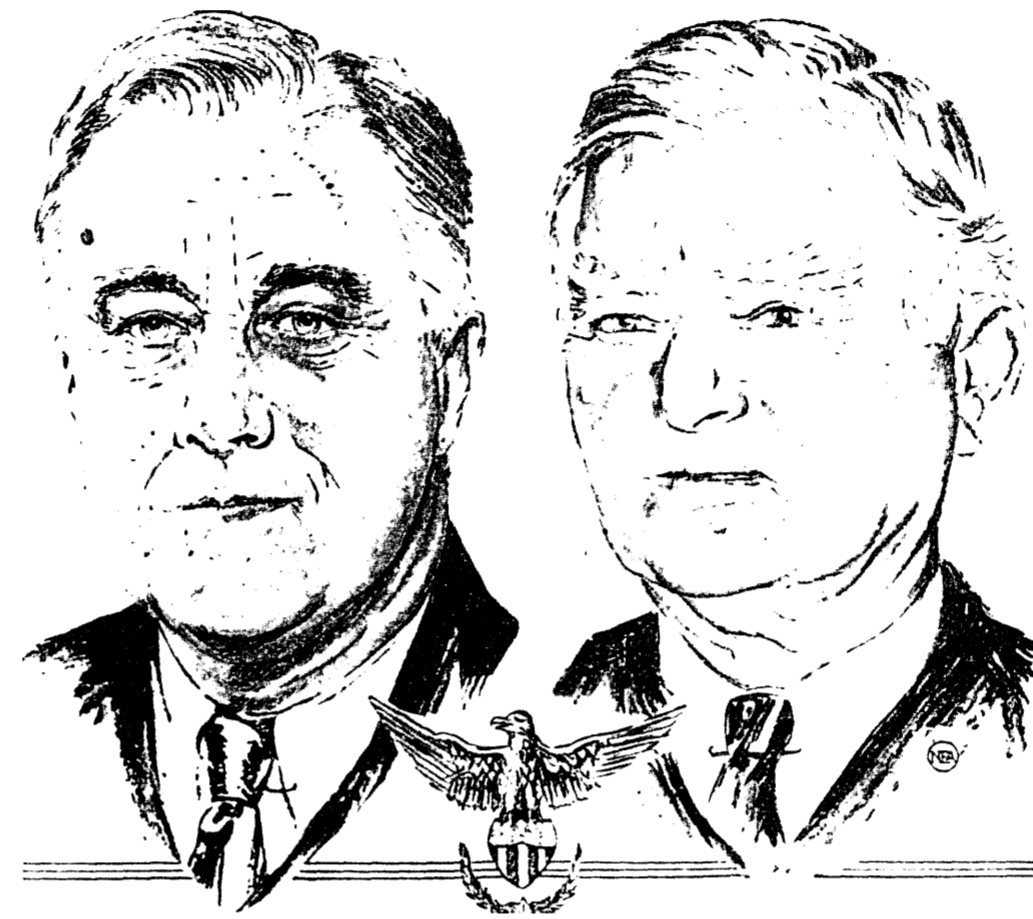

### TALMADGE UNABLE TO GET TO POLLS

Atlanta, Nov. 3.—(AP)—Georgia's Democratic governor, Eugene Talmadge, who, as a New Deal critic, opposed the nomination of President Roosevelt, said he was unable to go to his home at McRae, Ga., to vote today.

The governor said appointments with out-of-town visitors kept him at the capital.

After President Roosevelt's nomination, Governor Talmadge pledged support to him along with the other Democratic nominees.

### NIP AND TUCK RACE FOR MOST STATE OFFICES

Chicago, Nov. 3.—(AP)—Despite the 2-60 point lead rolled up by Democratic candidates at the top of the ticket, the races for the remaining state wide offices developed into dog-fights with mutual returns tonight.

Democrats in the contests for lieutenant governor, attorney general, state auditor, state treasurer and secretary of state, held a slight lead, but some of the races were close to stand-offs.

In the battle for Congress-at-large seats two to be elected Lewis M. Long, D, ran first, followed by Rodney H. Brandon, D, Long's running mate E. V. Champion, was third and the second Republican, John T. Dempsey, fourth.

Early returns, however, pointed only to the trend downstate. Because of the immense volume of votes in Cook county, tabulations for the secondary offices were delayed while the ballots for the ticket leaders were counted.

Three republican candidates for University of Illinois trustees topped their Democratic opposition by narrow margins in early downstate tabulations.

For the lieutenant governorship 93 of the 3,776 downstate precincts gave John Stelle, D, 17,838; George Hatzembuehler, R, 16,803.

Ninety-two of the downstate precincts gave for secretary of state: Edwards J. Hughes, D, 15,917; William J. Stratton, R, 15,222.

For auditor, 83 downstate precincts gave: Edward J. Barrett, D, 15,957; Arthur J. Bidwell, R, 15,128.

In the race for state treasurer, 91 downstate precincts showed: John C. Martin, D, 17,397; Clarence F. Buck, R, 16,410.

The attorney generalship contest, on the basis of 83 returns stood: Otto Kermer, D, 15,732; Charles S. Hedley, R, 14,972.

Eighty-one downstate precincts in the face for congressmen-at-large (two to be elected) showed: Lewis M. Long, D, 15,308; Rodney H. Brandon, R, 14,374; E. V. Champion, D, 11,156; John T. Dempsey, R, 11,085.

The contest for University of Illinois trustees, with 47 downstate precincts in, stood: Frank H. McKeelvey, R, 10,030; Frank M. White, R, 10,012; Charles S. Pillsbury, R, 10,001; Homer Mat Adams, D, 9,788; James Mansfield, D, 9,771; Louis C. Moschel, D, 9,476.

### Near Landslide As Returns Stream In

### BULLETIN

Topeka, Kas., Nov. 4.—(Wednesday)—Gov. Alf M. Landon conceded the re-election of President Roosevelt early today.

In a message, given to the press in a hotel after the Republican nominee had retired for the night Landon congratulated Roosevelt as follows:

"The President, Hyde Park, New York.

"The nation has spoken. Every American will accept the verdict, and work for the common cause of the good of our country. That is the spirit of democracy. You have my sincere congratulations.

Alf M. Landon."

### BULLETIN

The election tides were running swift and strong toward Roosevelt early today.

So impressive was the President's lead—he was ahead in no less than forty-five states—that Democratic leaders claimed the most sweeping electoral victory in history.

The great states of New York, Pennsylvania, Illinois and Ohio—a bloc whose weight is usually decisive—were helping pile up the Democratic ticket's impressive margin of leadership. Westward to California, the story was the same.

The totals turned out by busy election tellers were giving Landon the lead in Maine, New Hampshire and Vermont, but even in New Hampshire, the Republican margin was far from conclusive.

The ball-box barometer of the people's will suggested tonight a top lead victory for President Roosevelt as substantial but still far-from-complete returns streamed in.

In all but a handful of states, the Democratic Rooster was crowing loudly. Some of Governor Landon's strongest supporters conceded defeat. Others waited hopefully for the late returns.

The weather-vane states of New York and Pennsylvania rolled up Roosevelt leads counted in the high thousands.

Through the mid-west and on the Pacific coast other electoral votes nodded toward the Roosevelt column in profusion. In two New England states, Massachusetts and Connecticut, the Democratic ticket was ahead, and even in Landon's own home state of Kansas the race was extremely close.

The New York Times announced Roosevelt's reelection. So did the New York American, a Landon supporter. The Kansas City Star and the Chicago Tribune, both for Landon, reported a Roosevelt sweep.

The Republican nominee held to a lead in only half-dozen states. His reliance was in New England where he took early leads in Maine, Vermont, New Hampshire, and Rhode Island, and held them fairly steadily. He seasawed with Roosevelt in Iowa and a few others.

The great cities piled up tremendous totals for the New Deal—so great in some states that the Republicans early lost confidence that the out-state vote could pull them down. New York, Chicago, even heavily Republican Philadelphia, and many other centers of population rolled in the votes in billowing thousands.

Mr. Roosevelt, at Hyde Park, was described by his aides as "pleased." Governor Landon entertained friends at a coffee and doughnut supper at Topeka, joked and smiled as the returns came in, and indicated he would have nothing to say for the present.

Republican Chairman Hamilton refused to give up. Late at night he reiterated his faith that the country vote would favor him at the earlier Democratic advance. Yet all the time the tide in many states was building for Roosevelt.

The New York returns, becoming available in the early morning, established a great Roosevelt lead in New York City. It would be some hours before it could be determined whether the state vote would usually Republican could overcome it.

It was a story of Roosevelt leading in a preponderant number of states from the beginning. In some the margins were narrow in still others they were shifts, but the 29 states in which the New Deal had the advantage when the New York American conceded, have a total 381 electoral votes to 93 for the ten states siding with Landon. It takes 266 to elect.

Starting off with a powerful nucleus in the south, which alone has 148 electoral votes, Roosevelt won a steady if narrow lead even in Landon's Kansas, and surprised even some of his own friends by running ahead at times in Massachusetts.

Harrisburg, the capital of Pennsylvania and normally a Republican stronghold put Roosevelt well ahead and for a time his lead in the state was running well above 100,000.

### 'SOLID SOUTH' HOLDS TRUE TO OLD TRADITION

### Remains Strongly In Democratic Fold, Returns Show

Atlanta, Nov. 3.—(AP)—The solid South maintained its traditional Democratic trend from the very first ballot reported in today's general election.

Martins Station, in Alabama, set the pace in the early morning with its 11 votes unanimous for Franklin D. Roosevelt.

Georgia, which claims the president as a part-time citizen because of his residence at Warm Springs, piled up a lead of more than eight to one in his favor on early returns.

The first precinct in Meriwether county in which Warm Springs is situated, gave Roosevelt 210 and his Republican opponent, Governor Alf M. Landon, 14.

Early reports from Virginia, North Carolina, Tennessee and Florida favored the Democrats. These four states and Texas, which was also piling up a majority for the Democrats, returned to the party fold four years ago after having been carried by Herbert Hoover, Republican presidential candidate in 1928.

Aggressive Republican campaigns in these states this year were met by equally stiff battling from the Democrats.

Tennessee, which first left the solid south in 1920, was voting two to one for Roosevelt in early returns.

Kentucky, which parted from the (Continued on Page 2)

With one fifth of the precincts reporting, South Carolina made good its Democratic record of 1932, 1934 and 1936. In 1932 the Democrats won 57.5 per cent of the vote, in 1934 57.5 per cent and in 1936 57.5 per cent.

season as the result of an injury in the Chicago game. The Badgers face Northwestern's Wildcats, who today watched motion pictures of their victory over Minnesota. The Gophers, in gloomy mood, also looked at pictures of the battle. No serious injuries were reported and they will be ready for the Hawkeyes.

Illinois, with an open date Saturday before Ohio State is booked, had an off day.

## Virginia to Meet

some of the incidents of the season says that all of the rumors are true. They think they have anti-aircraft guns in their hands and blaze away when the birds are still out of range.

Football plays are getting so fast there is apt to be a dispute about anything that happens. The Gophers had a dandy last week in the Missouri-Nebraska game, and apparently they ruled correctly on it. One of the coaches was ready to make an argument about it.

Missouri claimed a short

After short deliberation, the judges ruled Privileged out, took down his number and put up Matey's. Canada produced 13,864,000 short tons of coal during 1935, as compared with 13,810,000 short tons in 1934.

# Virginia to Meet Lewistown Today

## Move Up Game in Order To Give Teams More Rest For Next Battles

Virginia—Virginia and Lewistown high schools will meet here Wednesday afternoon in a Syron River conference football game instead of Friday, as scheduled, in order to give the two teams more time to prepare for their Armistice day games.

Principal M. C. Craft announced the change after a consultation with officials at Lewistown. Virginia plays at Jacksonville Nov. 11.

The game is scheduled to begin at 3 p. m. and will bring together two teams who are at present in the cellar of the league. Virginia has not won a game in the league, and Lewistown has won one and lost four.

Some modern cameras are built to take 500 pictures a second, whereas the old-time camera required so much time to take one picture that a subject had to sit motionless, with his head held in a clamp

an argument about it.

Missouri attempted a short pass behind its line of scrimmage, but Nebraska guard, who had tro through the line, intercepted the pass. He began running and another Missourian smacked him. The ball fell in his hands and set in the outstretched arms of another Nebraska man who took the ball and ran for a touchdown.

The question was whether this was an illegal forward pass. The officials ruled that it was not, and immediately allowed the touchdown, which proved to be Nebraska's winning margin. The decision did not sit well with Don Faurot, but the motives of the game bore out the contention of the officials. The officials ruled that it was a fumbled ball, that a Nebraska man caught it before it hit the ground, and therefore had the right to advance it legally.

Two other times during that game officials were called upon to make decisions on difficult plays. Early in the first quarter Nebraska completed a lateral pass which was ruled a forward and therefore illegal. Again in the fourth quarter the referee ruled that an illegal forward pass was not thrown from five yards behind the line of scrimmage.

time, even had he lost his temper, he could have slugged all day without hurting anyone."

Bierman declared the pictures showed plainly that the five-year penalty against Charlie Schultz, Minnesota guard, for charging the Northwestern center late in the last period near midfield after the touchdown had been scored, was "definitely undeserved."

## Church Members Honor Rev. Tatman

Manchester Baptists Say Farewell to Minister Who Has Resigned

Manchester.—Rev. Paul Tatman, who resigned his position as pastor of the Manchester Baptist church two weeks ago, has accepted a full time pastorate at Postburg, Ill., and will also attend Shurtleff College during the winter months. His farewell services were held Sunday morning and evening. At the close of the morning service Rev. Tatman and family were invited to the basement to partake of the bountiful dinner which had been prepared in their honor by the members of the church and their families.

Miss Enid Gilliam of Jacksonville spent Saturday night and Sunday with her parents, Mr. and Mrs. J. L. Gilliam. Sunday afternoon guests in the Gilliam home were Mr. and Mrs. John Gilliam and son Robert, Miss Martha Gilliam and Mrs. Ollie Neat of Winchester, and E. M. Gilliam and Mrs. Patterson of Jacksonville.

Miss Margaret Boston spent Saturday with her aunt, Mrs. Homer Thompson, at Roodhouse.
